Swiss Re is one of the world’s leading and most diversified (re)insurers, with consistently strong financial ratings. Swiss Re Corporate Solutions is the insurance arm of Swiss Re and protects policyholders with unique exposures in niche markets across the globe. Our range of products includes property and casualty insurance, professional liability insurance, excess medical expense insurance and risk management services.

We have been serving the primary insurance community since 1908, and we are committed to providing our clients with top-quality service combined with creative and innovative solutions featuring uncompromising security. Our experienced team of underwriters, claims professionals and actuaries serves the US marketplace with expert knowledge and is dedicated to building and maintaining relationships based on trust and commitment. Together with our dedicated broker Alexander J. Wayne & Associates, Inc., we are committed to offering competitive and comprehensive E&O program solutions for our agents and brokers. Our proven track record of stability, expertise and risk management delivers products that are second to none.
